

BEA The Bilingual Schools Forum (online event, free attendance)

Friday, 3rd February 2023, 13:00-15.00 UK/GMT

With this unique inaugural BEA professional event we will start an in-depth conversation about all aspects of bilingual education model and bilingual curriculum of those schools operating in England.

Leaders of bilingual schools are invited to "present" their schools and share their professional insights and experience of administering and implementing immersion curriculum.

Topics of individual presentations will include, but not limited to:

- * General profile and school aims and ethos
- * Overview of curriculum design
- * Language in the curriculum distribution model
- * Families linguistic and cultural background
- * Successes and main challenges (any area of school work, incl. recruitment, inspections, marketing and financial).

Followed by: Q&A session and discussion

This free event will be open to **headteachers, deputy heads, governors, and academics working in the field**

Booking: RSVP by return of email (or by latest Friday 30 January)
